

## Referral Scheme

This is a special invitation to earn £250 worth of vouchers of your choice by referring your friends or family to work with Autotech Recruit.

### What qualifies as a referral?

It is very simple - a referral qualifies when you refer someone to us who is looking for employment. Every person knows good people working in their industry so finding one, or more, should be relatively easy.

For every successful single referral, **£250** worth of vouchers are up for grabs.

### How do I do it?

All you need to do is fill in and submit the referral form on our website and let your designated Autotech Recruit consultant know that you have made a referral. We will then get in touch with your referral and tell them more about who we are and what we do.
