Demand is high within the industry for fully skilled technicians and qualified testers!

WHAT WE DO

- Autotech Recruit offer temporary/contract work exclusively to Level 3 qualified and experienced Vehicle Technicians and MOT Testers.

REQUIREMENTS

- Technicians need to have a minimum of 5+ years current employment in a UK workshop/garage after qualification.
- MOT Testers need to have completed a minimum 100 UK MOTs and have 6 months of experience.
- You will need a full UK driving licence (6 or less points), your own vehicle and tools and be prepared to work at least 3 consecutive days each week you are available for work.

BENEFITS

- We encourage our contractors to continue to train throughout their careers by giving them access to online technical training.
- Other benefits include discounts on insurance and an easy to use contractor portal.
- When you are established as a reliable contractor, we may offer you manufacturer training which allows you to work at dealerships for a higher pay rate.
- All our contractors are offered free EV training delivered in our own training suite.

TRAVEL

- The more flexible you are with the distance you can travel to work, the more work we can offer you. Contractors who work for us regularly frequently travel over an hour from where they live.

OUR CONTRACTORS

- We have approx. 450 contractors working all over the UK.
- We are a friendly bunch and you will often bump into other contractors as you move around contracts.

PAY

- Contracts pay from £17-£24 an hour depending on the distance travelled and can increase up to £22 ph. for manufacturer trained technicians.
- Our contractors choose how they are paid, some via their own limited business and others PAYE via an umbrella company - either is good for us!

FLEXIBILITY

- We work with a variety of independent garages, dealerships and fast-fit companies. who contact us when they require cover for sickness, have an uplift in work, have staff on holiday or are just having a particularly busy period.
- The variety of our client's requirements means that contracts can be for a few days, weeks or sometimes even months at a time.
- Contract work is very flexible and gives you the opportunity to work when you are available.
