

# HOW TO ACE YOUR JOB INTERVIEW

## ARRIVE ON TIME

Research your journey time and arrive 10-15 minutes before your interview.

## BE PREPARED

Practice some common interview questions so that you're able to answer the interviewer's questions confidently.

## ENGAGE WITH YOUR INTERVIEWER

Ask some questions to show your interviewer that you're engaged and taking everything in.

## CONSIDER YOUR BODY LANGUAGE

Make sure you're sat up straight, making eye contact and using clear answers.

## DRESS APPROPRIATELY

First impressions count! Make sure you're dressed in smart clothing.

## PREPARE SOME QUESTIONS

Research the company before your interview and prepare some questions you could ask about the job.

## BE YOURSELF

Be confident in yourself and show the interviewer your personality!
