TRANSFER WINDOW REFERRAL SCHEME TERMS & CONDITIONS

- This promotion runs from 6th May 2022 to 5th August 2022. Any referrals made outside of this timeframe revert back to our regular 'refer a friend' scheme
- Current contractors of Autotech Recruit can refer a friend that is currently placed with a different employment business / recruitment agency for a £500 voucher

What qualifies as a referral?

It is very simple - a referral qualifies when you refer someone to us who is looking for a new role and will be leaving a different employment business / recruitment agency to take up a role with Autotech Recruit.

This person MUST be a qualified or time served Vehicle Technician and/or an MOT Tester or an Automotive Service Advisor.

Every person knows good people working in their industry so finding one, or more, should be relatively easy.

For every successful single referral, £500 worth of vouchers are up for grabs.

How do I do it?

All you need to do is fill in and submit the referral form on our website:

<https://autotechrecruit.co.uk/transfer-window-fee>

You must ensure the person being referred knows that you are doing so. We will then get in touch with your referral and tell them more about who we are and what we do.
