At Autotech Recruit, we don't just find you work - we help you build your skills for the future.

Through our sister brand, Autotech Training, **you can access a wide range of IMI-approved technical and non-technical courses** designed for the automotive industry.

And here's the best part: as an Autotech Recruit contractor, many of these **courses are completely free of charge**. All you need to do is complete three months of consistent work with us and meet the course-specific requirements.

If you're interested in these training courses, simply contact your **contracts manager**.

Alternatively, give us a call at **01234 240503** or email **sales@autotechrecruit.co.uk** to get started!
