

FREE TRAINING

FOR OUR CONTRACT VEHICLE TECHNICIANS AND MOT TESTERS

As one of our contractors, you can **access a wide range of IMI-approved courses** built specifically for the automotive industry. These are delivered through our sister company, Autotech Training - a highly rated, IMI-approved training centre - so you can feel confident you're getting **top-quality, industry-recognised training**.

The best part? Every Autotech Recruit contractor is eligible for most of these courses for **FREE!**

All you need is:

- 3 months contracting with us (your qualifying period)
- Meeting the specific requirements for the course you want to take

We strongly encourage you to **take advantage of these training opportunities** to build your skills and confidence while future-proofing your career.
